SECTION 4: EMPLOYER CERTIFICATION

I declare and affirm under penalty of perjury that the information and belief. I understand that the law prohibits any false document in the submission of this form.

The employer should retain copy of the completed Form-I983, which contains the DSO contact information.

I certify on behalf of the employer that this Training Plan for STEM OPT Students ("Plan") is approved and that:

- I have reviewed and understand this Plan, and I will ensure that the supervising Official follows this Plan;
- I will notify the DSO at the earliest available opportunity regarding any material changes to this Plan, including but not limited to, any change of Employer Identification Number resulting from a corporate restructuring, any reduction in compensation from the amount previously submitted on the Plan that is not tied to a reduction in hours worked, any significant decrease in hours per week that a student engages in a STEM training opportunity, and any decrease in hours below the 20-hours-per-week minimum required under this rule;
- Within five business days of the termination or departure of the student during the authorized period of OPT, I will report such termination or departure to the DSO (Note: business days do not include federal holidays or weekend days; and an employer shall consider a student to have departed when the employer knows the student has left the practical training opportunity, or when the student has not reported for practical training for a period of five consecutive business days without the consent of the employer); and
- I will adhere to all applicable regulatory provisions that govern this program (see 8 CFR Part 214), which include, but are not limited to, the following:
 - The student's practical training opportunity is directly related to the STEM degree that qualifies the student for the STEM OPT extension, and the position offered to the student achieves the objectives of his or her participation in this training program;
 - The student will receive on-site supervision and training, consistent with this Plan, by experienced and knowledgeable staff;
 - The employer has sufficient resources and personnel to provide the specified training program set forth in this Plan, and the employer is prepared to implement that program, including at the location(s) identified in this Plan;
 - The student on a STEM OPT extension will not replace a full- or part-time, temporary or permanent U.S. worker. The terms and conditions of the STEM practical training opportunity—including duties, hours, and compensation—are commensurate with the terms and conditions applicable to the employer's similarly situated U.S. workers or, if the employer does not employ and has not recently employed more than two similarly situated U.S. workers in the area of employment, the terms and conditions of other similarly situated U.S. workers in the area
